

CHIP NOW COVERS BRACES

"Effective January 1, 2011, CHIP will cover medically necessary orthodontics. Coverage for orthodontics is subject to prior authorization from the family's CHIP health plan. "

<http://www.chipcoverspakids.com/faq/eligibility-criteria-and-benefits/>

If your child is already enrolled in CHIP, and you would like to determine if they qualify for orthodontics through CHIP, please call our office to set-up a complimentary consultation with either Dr. Gemmi or Dr. Middleberg.
