Orthodontics Limited is proud to once again be recognized as one of the top orthodontic practices in the greater Philadelphia area! Drs. Kathleen Pale, Charles Gemmi and Harold Middleberg, along with their friendly and professional team, have been providing exceptional patient care for more than 30 years. All three doctors are board-certified by the American Board of Orthodontics, a designation achieved by only 40 percent of practicing orthodontists. They are also educators, teaching future orthodontists at Einstein Medical Center.

Orthodontics Limited provides braces and Invisalign to kids, teens and adults, and they are passionate about orthodontics. With locations in Center City, Northeast Philadelphia and Hatboro, PA, they are dedicated to giving patients the smile of their dreams. And they are Invisalign experts! They are one of the only orthodontic practices in the Philadelphia area to carry the Invisalign Diamond+ designation.

Drs. Pale, Gemmi and Middleberg believe in a customized patient experience. At their offices, patients will find individual treatment rooms and orthodontic treatment plans that fit each patient's unique needs. It's easy to get started on orthodontic care with their complimentary consultations.
